Your course will consist of a mixture of instruction, facilitated discussion and outdoor scenarios. Scenario-based learning involves working with other people, both patients and team members, and then debriefing what happened. Scenarios are designed to maximise learning – not to show you what you don't know. Practical and written assessments will be happen over both days of the course.

To achieve the Outdoor First Aid Certificate (or revalidation), you must show competency in all assessments. Details of what constitutes competency in each assessment will be clearly communicated to you before assessment. If you decide to withdraw this will result in non-completion of the course, or part of a course, as applicable and determined by the assessor.

As this is a certificated course, the certificate can only be issued upon FULL attendance of the ENTIRE course.

PLEASE NOTE: If you miss any part of the course you will not be issued a certificate
